Re: Proposed annexation to the  
City of Long Beach, Increment  
No. 168

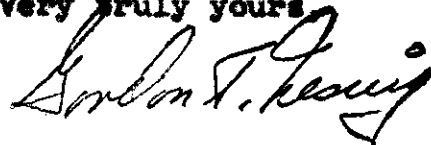

Dear Mr. Vickers:

At the meeting held on March 11, 1959, the County Boundary Commission reviewed the boundary description and map submitted from Walhfred Jacobson, City Attorney, by Atlee S. Arnold, Deputy City Attorney, with his letter of February 26, 1959, of the proposed annexation of territory to the City of Long Beach.

Although the boundaries submitted do not create islands or corridors of unincorporated territory, and conform with lines of assessment as nearly as practicable, upon recommendation of the County Engineer slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,
